

Distribution package

Distribution package mapping per implemented package

First common components

implemented package name	Description	Distribution package name	sharing
egovframework.com.*	Entire distribution files of common components – all common components are included as a test site.	egovframework- com-1.0.war	
egovframework.com.sec.rnc	common components_security_real name check	egovframework- common-1.0.0.zip	Y
egovframework.com.sec.ram	common components_security_role/ authority management	egovframework- common-1.0.0.zip	Y
egovframework.com.uss.umat	common components_user support_user management	egovframework- common-1.0.0.zip	Y
egovframework.com.uat.uia	common components_user authentication_user integration authentication	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.ccm .adc	common components_system management_common code management_administration code management	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.ccm .cca	common components_system management_common code management_common code management	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.ccm .ccc	common components_system management_common code management_common classification code management	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.ccm .cde	common components_system management_common code management_common detail code management	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.ccm .zip	common components_system management_common code management_zip code management	egovframework- common-1.0.0.zip	Y
egovframework.com.sym.cal	common components_system management_calendar	egovframework- common-1.0.0.zip	Y
egovframework.com.ems	common components_email	egovframework- common-1.0.0.zip	Y
egovframework.com.utl	common components_element technology (utility)	egovframework- common-1.0.0.zip	Y
egovframework.com.uss.sam.stp	common components_user support_terms and policies management_terms management	egovframework- stipulationmanagement-1.0.0.zip	
egovframework.com.uss.sam.cpy	common components_user support_terms and policies management_copyright protection policy	egovframework- rightmanagement- 1.0.0.zip	
egovframework.com.uss.olp.c	common components_user support_online	egovframework-	

ns	participation_consultato in management	onlineconsultation.0.0.zip	
egovframework.com.uss.ulp.q mc	common components_user support_online participation_questionnaire management	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp.q ri	common components_user support_online participation_questionnaire inspection	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp.q tm	common components_user support_online participation_questionnaire template management	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp.q rm	common components_user support_online participation_questionnaire responder management	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp.q qm	common components_user support_online participation_questionnaire question management	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp.q im	common components_user support_online participation_questionnaire item management	egovframework- onlineparticipation- 1.0.0.zip	
egovframework.com.uss.ulp. mgt	common components_user support_online participation_meeting management	egovframework- meetmanagement.0.0.zip	
egovframework.com.uss.olh.h pc	common components_user support_online help_help	egovframework- onlinehelp- 1.0.0.zip	
egovframework.com.uss.olh.w or	common components_user support_online help_glossary	egovframework- wordbook- 1.0.0.zip	
egovframework.com.uss.olh.f aq	common components_user support_online help_FAQ management	egovframework- FAQ- 1.0.0.zip	
egovframework.com.uss.olh.q na	common components_user support_online help_Q&A management	egovframework- QNA- 1.0.0.zip	
egovframework.com.uss.ion.n ws	common components_user support_information provision/notification_news management	egovframework- news- 1.0.0.zip	
egovframework.com.uss.ion.si t	common components_user support_information provision/notification_site management	egovframework- sitemanagement- 1.0.0.zip	
egovframework.com.uss.ion.r ec	common components_user support_information provision/notification_recommended site management	egovframework- recommendedsitemanagem ent- 1.0.0.zip	
egovframework.com.uss.ion.e cc	common components_user support_information provision/notification_ceremony/event/cam paign	egovframework- infomationoffer- 1.0.0.zip	
egovframework.com.sym.mp m	common components_system management_menu and program management	egovframework- menumanagement- 1.0.0.zip	
egovframework.com.sym.log	common components_system management_log management	egovframework- statisticreport- 1.0.0.zip	
egovframework.com.cop.bbs	common components_collaboration_board	egovframework- bbsmanagement- 1.0.0.zip	
egovframework.com.cop.cmy	common components_collaboration_community	egovframework- community- 1.0.0.zip	
egovframework.com.cop.clb	common components_collaboration_club	egovframework-	

		clubmanagement- 1.0.0.zip	
egovframework.com.cop.com	common components_collaboration_common function	Equally included in each distribution package of collaboration	
egovframework.com.cop.ncm	common components_collaboration_name card management	egovframework-namecardlistmanagement-1.0.0.zip	
egovframework.com.cop.smt.sdm	common components_collaboration_schedule management_department schedule management	egovframework-schedulemanagement-1.0.0.zip	
egovframework.com.cop.smt.sim	common components_collaboration_schedule management_personal schedule management	egovframework-schedulemanagement-1.0.0.zip	
egovframework.com.cop.smt.sam	common components_collaboration_schedule management_team schedule	egovframework-schedulemanagement-1.0.0.zip	
egovframework.com.cop.smt.dsm	common components_collaboration_schedule management_daily log management	egovframework-schedulemanagement-1.0.0.zip	
egovframework.com.sts	common components_statistics/reporting	egovframework-statisticreport- 1.0.0.zip	

2 차 **common components**

implemented package name	Description	Distribution package name	sharing
egovframework.com.uss.ivp	common components_My page	egovframework- mypage-1.0.0.zip	
egovframework.com.olp	common components_online poll management	egovframework-onlinepoll- 1.0.0.zip	
egovframework.com.uss.ion.pwm	common components_popup window management	egovframework-popupwindow- 1.0.0.zip	
egovframework.com.uss.ion.noi	common components_information notifier	egovframework-notification- 1.0.0.zip	
egovframework.com.uss.ion.bnr	common components_banner management	egovframework- banner-1.0.0.zip	
egovframework.com.ion.isi	common components_login screen image management	egovframework-loginimage- 1.0.0.zip	
egovframework.com.uss.ion.rsm	common components_recent keyword inquiry	egovframework-currentsearchword-1.0.0.zip	
egovframework.com.uss.ion.msi	common components_main image management	egovframework-mainimage- 1.0.0.zip	
egovframework.com.uss.ion.ulm	common components_integration link management	egovframework- totallink-1.0.0.zip	
egovframework.com.uss.ion.uas	common components_user absence management	egovframework-userabsence- 1.0.0.zip	
egovframework.com.uss.ion.isg	common components_Internet service information and management	egovframework-serviceguide- 1.0.0.zip	
egovframework.com.cop.adb	common components_address book	egovframework-	

	management	adressbook- 1.0.0.zip	
egovframework.com.uss.olh.awm	common components_administration glossary management	egovframework- administrationdic- 1.0.0.zip	
egovframework.com.uss.olh.omm	common components_online manual	egovframework- onlinemanual- 1.0.0.zip	
egovframework.com.uss.sam.ipm	common components_personal information protection policy check	egovframework- privacypolicy- 1.0.0.zip	
egovframework.com.cop.bbs	common components_reply management	egovframework- replymanagement- 1.0.0.zip	
egovframework.com.cop.bbs	common components_scrapping function	egovframework- scrapmanagement- 1.0.0.zip	
egovframework.com.cop.bbs	common components_satisfaction inspection	egovframework- satisfaction- 1.0.0.zip	
egovframework.com.cop.sms	common components_SMS	egovframework- shortmessageservice- 1.0.0.zip	
egovframework.com.uat.uia	common components_login policy management	egovframework- loginpolicy- 1.0.0.zip	Y
egovframework.com.sym.ccm.icr	common components_instituion code reception	egovframework- organcodeceive- 1.0.0.zip	
egovframework.com.sym.mpm	common components_shortcut menu management	egovframework- quickmenu- 1.0.0.zip	
egovframework.com.sec.pki	common components_encryption/decryption	egovframework- criptodecripto- 1.0.0.zip	
egovframework.com.sts	common components_report statistics	egovframework- reportstatistic- 1.0.0.zip	
egovframework.com.ssi.syi.sim	common components_system connection management	egovframework- interfacemanagement- 1.0.0.zip	
egovframework.com.ssi.syi.ist	common components_connection status management	egovframework- interfacestate- 1.0.0.zip	
egovframework.com.ssi.syi.ims	common components_connection message management	egovframework- interfacemessage- 1.0.0.zip	
egovframework.com.ssi.syi.iis	common components_connection institution management	egovframework- interfaceorgan- 1.0.0.zip	
egovframework.com.utl.fcc	common components_number validity check	egovframework- common- 1.0.0.zip	Y
egovframework.com.utl.fcc	common components_format validity check	egovframework- common- 1.0.0.zip	Y

Reference Distribution package

Function	Distribution package name	Reference package name	description
common components_statistics/reporting	egovframework- statisticreport- 1.0.0.zip	egovframework- menumanagement- 1.0.0.zip, egovframework-	Menu and program management and board are required for screen

		bbsmanagement- 1.0.0.zip	statistics and posting statistics
--	--	--------------------------	-----------------------------------

Common environment setup file

classification	Path and file name	description
maven config	/pom.xml	maven project config
Web Application config	/WEB-INF/web.xml	Web Application unit config setup
servlet context config	/WEB-INF/config/egovframework/springmvc/egov-com-servlet.xml	DispatcherServlet application context setup
context bean definition	/resources/egovframework/spring/context-*.xml	bean definition
universal properties definition	/resources/egovframework/egovProp/globals.properties	global constant definition
message properties definition	/resources/egovframework/message/*.properties	message definition
Element required for gski authentication	/WEB-INF/conf/*.properties	setup required for GPKI certificate login
Element technology environment setup	/resources/egovframework/egovProp/conf/*.properties	environment setup required for element technology
Element technology program setup	/resources/egovframework/egovProp/prg/*.sh(*.bat)	Executable script required for element technology
sql config file	/resources/egovframework/sqlmap/com/*.xml	sql map config definition
validator rule file	/resources/egovframework/validator/validator-rules.xml	Define rules to use validator
log setup	/resources/log4j.xml	Log-related setup
