# Maven3 Update

## Description

- New Template Project Wizard uses Maven3 to make the plug-in M2E Connector available.
- In Developmental Environment 2.0 of eGov Standard Framework, yu need to update the M2E plug-in into Maven3.
- When the M2E plug-in wiht Maven2 is used, you will encounter the following error message in Device API New Template Project Wizard.

• You do not need to proceed with the m2e plug-in where Maven3 plug-in is available.

# **Upgrade M2E**

Check the version of your M2E.

- You do not need to proceed with the m2e plug-in where Maven3 plug-in is available.
- Maven Integration for Eclipse : Version 0.12.1.20110112 [Conventional eGov Standard Framework 2.0 M2E Maven2]

• Check the version of Maven in the developmental environment.
